

HELP THE MAC-HAYDN AND GET FREE TICKETS!

Here's an easy way to get free tickets to the shows you love, and lend a helping hand:

VOLUNTEER

*** Ushering * Snack Bar * Coffee House *
* Cast Houses * Cars * Raffle Booth ***

Are all things we can use a helping hand with during the season. Volunteers earn free tickets to shows, be part of the theatre family, meet the cast and crew, help us out so very much and have a good time doing it.

Ushering and Snack Bar: starting an hour before the performance, through intermission; help is especially needed on weekends and for matinees. Also, someone to help pick up snack bar supplies would be terrific.

Coffee House: a job for night owls on Friday and Saturday nights! Set-up starts about 8 p.m., clean-up ends late – but you get dibs on home-made goodies and hear all the entertainment.

Cast Houses: seem to always need little things repaired.

Cars: need someone who can do minor repairs, and keep oil checked and so on.

Raffle Booth: several shifts need to be covered, before the show and at intermission.

PS, if you signed the sheet in the survey last summer,
your name has been passed on to the department heads.
